

Clarification with regard to Eligibility Criteria for recruitment of Engineer Trainee through GATE-2018 Score:

- (i) Applicants who have done Engineering after Three years Diploma, they have not done XIIth instead they have done Diploma, such candidates study three years (Six semester) Diploma and then Engineering. In such case the marks obtained in Diploma instead of class XII may be taken into consideration for deciding eligibility.
- (ii) In case where applicants have done class XII and Diploma and then Engineering, instead of class XII and Engineering in such case marks of class XII shall be taken into consideration for deciding eligibility and not the marks obtained in Diploma.
- (iii) Applicants who have appeared in more than 5 subjects in class X and XII exam, in such case the percentage of marks shall be calculated taking into account all the subjects rather than deciding best five.
- (iv) Applicants who have done integrated course such as B.Tech + MBA or B.Tech + M.Tech (Five Years Course), such candidates shall submit B.Tech / B.E/ B.Sc(Engg.) marks sheet and separate certificate with regard to completion of B.Tech/B.E./B.Sc(Engg.), then such applications shall be considered. In such case the marks obtained in B.Tech/B.E./B.Sc(Engg.) shall be taken into consideration.
