1. C. Organization of Health Camp in Pratapnagar and Bhilangna Block

Objective :

The primary objective of organizing free Health checkup Camps in the Tehri dam rim area villages are to introduce health seeking behavior in the population and increase the reach of medical health facilities to the needy and poor, old age, women and children where there are lacking of health facilities.

Progress :

02 Health camps were successfully completed in Pratapnagar and Bhilangna Block, Tehri Garhwal

General need assessment survey was conducted and initiated discussions with local health providers and local people, representatives to identify the need of the health services in the area and organized field visits in the villages. The increasing burden of diseases particular in rural areas threatens to overwhelm an already stretched health services. In Pratapnagar and Ghansali blocks, Tehri Garhwal specially in rim area villages the factors underlying the major diseases are well documented. Common and easily modifiable risk factors include heavy workload, tobacco and excessive alcohol consumption, low intake of nutritious food and vegetables. These common risk factors contribute leading cause of deaths in this area. Considering this, SEWA - THDC and HNBGU mobilize an expert medical team and Dr. Kohli was contacted from Laparoscopic Multi Specialty Hospital, Rishikesh. The main objective was to provide free medical support to needy villagers especially to women children and old age people.

Achievement :

Total 02 Free health checkup camps completed first camp at Panchyat Bhawan, Gairi (Rajputonki), Pratapnagar Block, Tehri Garhwal on 27th January 2016 and 04 specialized Doctors jointly provide community health service to **261** (Female – 188 & Male - 73) local villagers. *Total 08 villages* benefited under this health camp were Gairi, Bethar, Haleth, Silari, Kordi, Godari, Kyarki and Gulari.

The second free health checkup & medicine camp was organized in Swami Vivekananda Vidhya Mandir, Nageshwar Sour, Patti Argarh, Bhilangana Block, Distt. Tehri Garhwal on 06th March 2016. Total **381 patients** were examined (Female – 207 & Male – 174) and provided proper instant treatment. *Total 17 villages* benefited under this health camp were Lasiyal Gaon, Chamiyala, Aruaha, Peda Bhanedi, Surkara, Kot Goangarh, Changora, Boga, Jaspur, Peda, Mudeledi, Dalla , Sarkaduda , Mayar, Tugana, Sunar Gaon, Banolee , Nagehwar Saour and Silyari and tonic and medicines were also distributed. **(Annexure Attached - 06)**

Output:

Free health facility provided by project was accessible to all villagers. It serve as great help who cannot afford expensive treatment and medicine. Medical Specialists examine local villagers at their doorstep.

Outcome:

It has spread health awareness among villagers and provides health service in remote villages.
