### Annual Progress Report 2018-19

#### **Project at a glance :-**

Education is the fundamental right of every citizen granted by the Government of India under Article 21 A of the constitution. Education plays a very important role in shaping the future of a country. Assuming the responsibility of providing good education to the children belonging to nearby villages and project effected area, THDCIL as its corporate social responsibility is running schools since 1992.

#### **Implementation :-**

In order to provide good education to nearby villages in the project affected area since 1992, a society was registered in the name of EMB (Education Management Board ) in the 2010, EMB was rechristened as TES ( THDC Education Society ).

The main work of TES is to provide quality education to all children reading in these schools.

Category wise detail of both the schools are given below:-

Schools	SC Category Students		OBC Category Students		General Category Students		Total Students		Total Students	BPL	
	Male	Female	Male	Female	Male	Female	Male	Female		Male	Female
Rishikesh	34	39	61	94	77	109	172	242	<b>414</b>	76	61
Tehri	41	53	00	01	64	54	105	108	<b>213</b>	06	07

#### **Facilities provided:-**

THDC Education Society is taking care of all day to day activities of both the schools. Both schools at present pursue the "UTTARAKHAND BOARD "Pattern of education . At the end of the academic year 2018-19 there were more than 600 students studying in both schools from class 1 to class 12 .These students were guided by the learned and qualified teachers and supporting staff headed by the principal.

THDCIL has provided necessary infrastructure to run the schools. The class rooms are equipped with quality furniture, blackboards, and other learning aids. School have dedicated computer Labs, laboratory. The students are provided free of cost several items viz. Text Books, Note Books, School Shoes, School Bags, Uniform, Stationery etc. by THDC Education Society. School, has other amenities like neat and clean drinking water, toilet facilities and play ground. Besides all facilities mid day meal (NAIVEDYAM-Meal initiative). A school bus & a bolero/taxi also have been arranged by THDC Education Society for facilitating commutation of students from their villages to school and back. The school staff is well paid, have been provided Medical facilities, and residential accommodation.

### **Benefits from the project :-**

The school is providing quality education to the students of the nearby area generally coming from the weaker and poor section of society. The fee charged by the students is just nominal @ Rs 15 to Rs 100 per month from class 1 to class 12.

Various extra co-curricular activities are arranged all through- out the year for students. Students also participate in District and State Level sports. Students also actively participate in cultural activities.

Regular monitoring and inspections by the management of TES are carried out in order to check the quality of education being provided to the students. Continuous effort is being put to improve the quality of education and turn these schools into an institution driven by quality and at par with good school in the region.
