Project at a Glance:-

In hilly areas of Uttarakhand the farmers plough their land in traditional way, seeds and grains are kept in their home as they have their own store.

Keeping in view the new technique to preserve seeds, a project proposal for ₹ 10.40 Lac was received from Shri Jagdamba Samiti, (N.G.O.) Dehradun Road, Rishikesh for the following activities:

1. Packing & Marketing skill in Rajma & other pulses.
2. Off-seasonal vegetable production & marketing.
3. Oil extraction farming, packing & marketing.
4. Originating farming, packing & certification.

These activities were done in village Silwal, Majaf, Gaulani of Pratapnagar block in Tehri distt.

Benefit of the Project:-

Approx. 30 villages have got benefitted from this project. They learned about the technical know-how of vermi compose pit, off seasonal veg. production. The main objectives of this project is to empower small & marginal farmers through social venturing in agriculture value chain.

After getting training benefit from this project the community felt Happy.
