The project is carried out through various agencies as KM College , Delhi University, Rotary Club Rishikesh itself and other nonprofit organizations.

### **MOU between SEWA-THDC and Rotary Club Rishikesh**

#### **A Global Grant in Deen gaon and surrounding villages of District Terhi**

An MOU was signed between SEWA-THDC and Rotary Club , Rishikesh to implement social development project such as health & sanitations, education, and community development at remote project affected area/ rehab area. Under this project a medical dispensary is developed at Deen gaon in block Pratapnagar of district Tehri by providing the medical equipments. Some educational materials have been provided to primary schools and degree college in New Tehri Town. The MOU was signed with a project cost of 81500 USD and part of SEWA-THDC is 60000 USD for this project.

### **Primary Health Centre Deen Gaon:**

THDCIL is running an allopathic dispensary with basic diagnostic investigation (Pathological, X-ray) and minor OT facilities through trained paramedical staff and MBBS doctor at Deen Gaon in remotest part of backward district Tehri Garhwal (Uttarakhand) since 2013-14 with the help of KM College, Delhi University..

Earlier medical facilities and infrastructure of this Dispensary was meager so it was observed and decided to improve the infrastructure of the Dispensary by providing the medical equipments being a remote area of district Tehri.. Under the project which is mutually implemented by Rotary Club and SEWA-THDC, the health centre and its laboratory have been equipped and strengthened by medical equipments i.e. X-ray machine, ECG machine, Furniture, Ambulance and other related necessary medical equipments those were procured by Rotary Club Rishikesh. Details of medical equipments are as below
