Project at a Glance: India has made rapid strides in the health sector since independence. However various eye opening data from NFHS (National family health survey) clearly indicate that access to health care still remain a challenge. While the health statistics of ruler india continue to be poor, the health status and access to health for the poor in the urban slum dwellers has surfaced to be equally deplorable.

Medical facilities in Uttrakhand are insufficient. There are scarcity of doctors and Government hospitals, Poor and underprivileged people cannot take proper diagnose from government hospital. Patents have not got total medicine from Govt hospitals.

Swami Narayan mission (Society), a charitable homeopathic dispensary, working especially in medical field with the mission of service to the poor and needy person since 1991. The Society has its own infrastructure and doctors to provide homeopathic treatment. The Health Centers have been established at Dam affected Dhauntri, (Dunda Block) and Pokhri (Pratapnagar) since 2011. These Health Centers are being manage by Swami Narayan Mission Society (SNMS) through its staff with dedicated and selfless mind.
