## About School

With Humble beginning in 2004 and taken over completely in 2012 Swami Sarswati SCP School in its last 12 years is a testimony for its commitment in education, to build a model school as envisaged in its model today, the school is one of its kind in delivering value based education in the state of Uttarakhand. Apart from the regular curriculum the school is also committed moulding the carriers as well as faculty of the school. An excellent faculty committed to quality teaching and activities oriented curriculum in keeping with the demands of the society contribute to the merits of this school.

In the path set by the founder Pujya Swami Dayanand Sarswati of this society /school, the society is committed and promise to fulfil the vision of founder in every way.

### About the children and their selection:

SDSSCP inter college started to admit the flood affected students along with economically backward students in the year 2015. Among the students admitted in various classes 41 students are flood affected children and 09 are economically backward students.

Among 41 floods affected students as below:

1. 23 students are from Tehri Garhwal.
2. 02 students are from Chamoli
3. 08 students are from Uttarkashi
4. 08 students are from Rudraprayag

Among 41 flood affected students 20 are hostellers and rest day scholars. These students are picked by our team (SDSSCP) visited Rudraprayag on the recommendation of DM Dr. Raghav Langer (IAS). Economically backward students are selected by our team visiting their residence personally and individually.
