## **Dossier Report**

**Project|**- Development and Research Centre for Activities on Ecological Restoration and Socio-Economic Empowerment of Rural Community for Sustainable Livelihood and Resource Management in Nauguragad Watershed of Upli Ramoli Patti of Pratap Nagar Block in Tehri Garhwal, Uttarakhand.

**Project at a Glance:** The project “Ecological Restoration and Socio-Economic Empowerment of Rural Community for Sustainable Livelihood and Resource Management” was initiated to create sustainable livelihood for the villagers of the Uppli Ramoli area of Pratapnagar block under the THDCIL CSR.

## **Objectives of this Project**

**The major objectives of the project are following:**

- To provide Skill enhancement and development i.e. Computer Course, Tailoring Course, Training in Beauty Culture to the youth of Uppli Ramoli area.
- To provide free health facilities to the remote villagers through basic health center and arrangement of health camp especially targeting the area. To promote income through vegetable production and non- farming activities i.e. bee keeping etc.
- Promotion of dry land horticulture i.e. Apple (royal, red chip and super chip etc.) and citrus (California orange, seed less lemon) involving women groups.
- Reduce Drudgery of women by introducing low cost technologies such as vermin compost pits and poly houses.

- Convergence of Govt. Schemes.
- Established Farm machinery bank in villages and reduce the over work load of farmers.

## Water Conservation Programme

**Digging of Chal-Khal (Water Pound) Water Pits & Water Tranch:** The water conservation program is going on in Herwalgaon . In this region water trenches water Recharge pits & Chal were constructed in year 2017-18. Nearly 300 water trenches & Recharge pits were constructed. This entire program was monitored by Dr. S.K. Bandooni and Sh. Sacchidanand Bharti Ji. “Jal hi Jeewan hai” water is our life line, here the programme aims at giving back to mother nature what we have received and over used.

Water conservation is carried out by digging the water ponds and trenches. At many places rainwater is trapped and allowed to percolate into the ground. Villagers are getting water in few dry places. The program involved digging trenches and pits about two feet deep 10 to 15 feet long and one-and-a- half feet wide in the hillocks.

S.No.	NAME OF WATER SET	No.	YEAR	VILLAGE
1	CHAL KHAL	03	2017	HERWALGAON
2	WATER RECHARGE PIT	300	2017	ONALGAON & HERWALGAON
3	WATER TRENCH	300	2017 - 18	HERWALGAON

Akuli chal situated at top of Herwalgaon region and its size 24X16 its retain moisture in dry season.

## Monitoring of Activity

**Cleaning of water pounds with villagers time to time Development and research center (DRC) staff aware villagers to keep clean the chal khal coz it produce long time results and reduce the water Crisis in nearest villages**

## Drinking Water Repair Program

DRC conducted a repair program for drinking water at Pokhri, Mukhem and Deengaon . In Pokhri the water pipeline chamber were repaired. In this work two chambers were constructed, nearly twenty families benefited out of this work.

In Deengaon water supply was repair with the help of villagers tiles were put by villagers and SEWA-THDC constructed shelter for protection in sun and rain.

In Deengaon water supply was repaired with the help of villagers. The tiles were put by villagers and SEWA-THDC constructed shelter for protection in sun and rain.

*In village Mukhem DRC maintained the damaged water tank with the collaboration of village and villagers. DRC provide the material cost to repair the tank and villagers arranged labor, mason and each family contributed some amount to renovate the water tank.*

## Cleanliness Programme at Kandiyalgaon (30<sup>th</sup> May 2018)

On 30<sup>th</sup> may 2018 gramshba Kandiyalgaon organized a cleanness camp with support of SEWA THDC & SBSEC under swachta pakhwara. The aim of this program was to make the villagers aware about the need of cleanliness. The villagers were very supportive in conducting the programme.

The first step was cleaning the natural sources of water by villagers. The roads were also cleaned it was decided that the use of plastic will be banned in the village.

S.N.	Name of Programme	Swachta Pakhwada
1	Date	30 <sup>th</sup> May 2018
2	Venue	Kandiyalgaon
3	No. of Villagers	65

## Sanitation Programme

On 22<sup>nd</sup> 2018 cleanness awareness program organized by SEWA-THDC and SBSEC UNDER swachta pakhwara. in this program four inter colleges (GIC MUKHEM,GIC DEENGAON,GIC GARWAN GAON,GIC KANDIYAL GAON) of uppli ramoli participated. There were 204 girls from different inter colleges. They were informed and educated on woman sanitation and cleanness awareness by Dr.Navnit kiran (CMO THDC) and Dr.Nitika (Lambgaon Hospital).

# SEWA-THDC NIRMAYA: Yoga Camp

Development & Research Centre in Upali Ramoli region along with SBSE College, University of Delhi & SEWA THDC organized 02 Yoga and Naturopathy camps from 10<sup>th</sup> July 2017 to 14<sup>th</sup> July 2017 at Garwangaon & 30<sup>th</sup> Sept. to 04<sup>th</sup> Oct. 2017 at Mehargaon

## **Camp I :- (Garwangaon)**

01	<i>Date of Activity</i>	<i>10<sup>th</sup> July 2017 to 14<sup>th</sup> July 2017</i>

01	Date of Activity	30 <sup>th</sup> Sep. to 04 <sup>th</sup> Oct. 2017	
02	No. of Days	05 days	
03	Name of Village	Mehargaon	
04	No. of Classes	05 classes	
05	No. of Students	148 (05 days attendance)	

## **Aim & Objectives of Yoga Education:-**

The aim was to make the villagers aware of the benefits of Yoga and Nature care. Sh. Rajesh Verma (Yoga Instructor) gave information about health benefits from practicing yoga and Pranayama. He taught them all the types of Yogasanas that are helpful in our day to day life and stay stress free.

Briefly the aim and objectives of yoga education are:

- To enable the students to maintain good health.
- To practice mental hygiene.
- To possess emotional stability.
- To integrate moral values.
- To attain higher level of consciousness

## SEWA-THDC NIRMAYA

**Basic Health Centre:** The Basic Health Centre that's being run under SEWA THDC along with SBSE College, University of Delhi is providing modern medical facilities to the villagers that too without any charges. Nearly 60 villages around the region are benefitting from this PHC. The facilities such as path labs, Ambulance service, X-ray is available in this center. In the year 2017-18, around 18,280 villagers have benefitted out of this PHC. This is a very big leap in progress as villagers had to travel far off distances for treatments and the cost of travelling as well as treatment used to be very high. Service to mankind is indeed service to GOD.

## SEWA-THDC UTHAAN: Bee Keeping

SEWA THDC Development & Research Centre in Upali Ramoli region started a programme of Bee keeping in Village Sera and Budkot along with the collaboration of S.B.S.Eve COLLEGE University of Delhi. It's an effort to enable people to earn a living for themselves with minimum input.

## **Details of Bee Keeping (SHG):-**

01	Date of Activity	06 <sup>th</sup> October. 2017
02	No. of Villages	02 Villages
03	Name of Villages	Sera & Budkot
04	Name of S.H.G	Jai Nagraja SHG (SERA) Maa Bhawani Devi SHG (BUDKOT)
05	No. of Boxes	06 Boxes to each SHG
06	Name of Breed	Italian Melifera breed

## **Aim and objectives of Bee Keeping:-**

- To increase the knowledge about bee and bee culture.
- To improve the standard of beekeeping amongst amateur beekeepers.
- To provide advice and assistance to beginners.
- To arrange lecture discussion.

## SEWA- THDC SAMARTH

**Distribution of HYV Seeds:** To promote production of vegetables in rural area SEWA THDC & SBSE College, Delhi University have been distributing the best variety of seeds in the region. The seeds of Potato, Peas, Rajma, Cucumber, Capsicum, tomato etc. were distributed. The farmers of different villages like Deen Gaon, Sera, Budkot, Beldaagi, Garangaon, Pokhri, Mukhem, Dangangaon and Dangi were given these seeds. Then the farmers working in Poly house who grow the vegetables of any season were given cucumber seeds. Such efforts of SEWA-THDC and SBSCE will definitely promote vegetable farming in the region.

01	Date of Activity	29 <sup>th</sup> October. 2017
02	No. of Villages	05 villages
03	Name of Village & School	Sera, Deengaon, Mukhem, Pokhri & Dharangaon

20	Naveen Bhandari	Mukhem	8126734953	05 kg.	

### Aim and objectives of HYV seeds distribution:-

- Increase production of certified /quality seeds of agriculture in the area.
- To train the farmers on seed production and seed technology aspect for the seed crops grown in the selected villages.
- To encourage the farmers for quality seed production
- To differentiate between the treated and non-treated seeds.

## **Ginger Production of Individual Farmers and SHG (Self -help groups):**

There were 4 groups in sera village jainagraja shg, nag devta shg, bhairav devta shg, narshing khadhyasuraksh shg and two groups of budkot & beldogi village are bhawani devi, narshing devta shg . They changed the cropping pattern and had sown ginger in their fields and they got good results of this experiment.

Ginger production details are given below with their seed quantity and production level.

### **Detail of Ginger production and seeds quantity 2017**

**photo graph of ginger farming at sera village**

Photo graphs of Ginger production at Budkot village

### **Aims and objectives of Ginger farming;-**

- Ginger has a long time preservation quality so it reduces risk of farmers.
- Its easily sold in markets at any time and any season.
- Farmer can reform it in i.e. saunth, pickle etc.
- Ginger farming increased the productivity of the soil.
- It has great medicinal value so the demand is always there.

**Potato production from DRC Project Area:-** Development and research center distributed potato seeds to different villagers in November 2017 and February 2018. The 80% of seed distributed to self-help groups on SEWA-THDC guidelines and rest 20% seed distributed to progressive farmers of different villages. Production of potato was very good and farmers got great returns in potato cultivation.

### Development & Research Center, Deengaon

## SEWA-THDC

### Kishan Goshty cum Farmer's workshop

DRC organized a Farmers workshop on 1<sup>st</sup> January 2018 in Deen Gaon. Dr. V. S. Negi Chaired the programme. Sh. Mohan Singh Rawat (Gaonwasi) was the chief guest in the programme.

In this programme, Dr. Mohan Singh Panwar gave information to the farmers about the potential of self-employment and economic reforms in the hilly terrain through agriculture and prevention of migrations. Dr. Anil Kishore Joshi told about the importance of horticulture development and animal husbandry. Shri N.N Choudhary discussed the benefits of production of cash and off season vegetables, Mr. Virender Bhandari explained the benefits of Polyhouse and Vivek Joshi gave the training of bee keeping to farmers in the workshop. Sh. Mohan Singh Rawat Ji gave away the prizes to Progressive Farmers as a mark of appreciation. The self-help group of Mukhem Village was also honored by him for their efforts of self-employment. Nearly 80 farmers attended this workshop.

01	Name of Activity	Kisan Goshty cum training programme
02	Date of Activity	01 <sup>st</sup> January 2018
03	No. of Experts	05
04	No. of Villages	09 villages
05	No. of Villagers	80
06	Name of Villages	Sera, Budkot, Beldogi, Deengaon, Herwalgaon, Gandiyalgaon, Mukhem, Pokhri & Sadargaon

On 8<sup>th</sup> May 2018 DRC arranged farmers workshop at sera village, Budkot. Sh.Mohan Singh Rawat (Gaonwashi) director SEWA-THDC was the chairperson of this event conducted by SEWA THDC. The main purpose of this program was to introduce cash crop among farmers. The farmers of Uppli Ramoli and self help groups (SHG) showed their experience. Staff members from SEWA-THDC participated in this workshop and spoke about vegetables and fruits production. At the end of the event seeds were distributed among the villagers.

01	Name of Activity	Kisan Goshty
02	Date of Activity	08 <sup>th</sup> May 2018
04	No. of Villages	07 villages
05	No. of Villagers	80
06	Name of Villages	Sera, Budkot, Beldogi, Deengaon, Mukhem, Pokhri & Kandiyalgaon

### **Aim and objectives of farmer exposure visit and Workshop:-**

The brief descriptions are given below.

- for most of the farmers, it was the first time they had traveled outside their village area, and certainly the first time they had chance to see successful commercial farming.
- They saw with their own eyes that it really can work, and that farmers just like them are earning money using sustainable farming practices.
- Time to time Sewa-THDC and SBSCE arrange Workshop for farmers to encourage them for commercial farming and experts shared scientific approaches for cultivation i.e. –line sowing approach, mix crops farming etc.

## SEWA-THDC DAKSH: Beauty Parlour Training Programme

SEWA THDC Development & Research Centre in Upali Ramoli region started a programme of Beauty Culture/ Parlour Training along with the collaboration of SBSE College University of Delhi. The inauguration was done by the Project Co-Director Dr. V.S.Negi on 11<sup>th</sup> November 2017. This is an effort to channelise the talent of these young women and make them self reliant.

## **SEWA-THDC DAKSH: Silai Training Centre**

SEWA THDC Development & Research Centre in Upali Ramoli region along with SBSE College, University of Delhi is running two Silai/Sewing training Centres. These are being run in Garwangaon and Mehergaon. In the past three months the number of females enrolled for the course has seen a decline as those who were pursuing the course had completed it. Now the centre will be relocated in some other village according to demand. Such courses have and will enable women folk to earn from home and become self reliant.

# SEWA-THDC UTHAAN

## Social Forestry

DRC Deengaon organized a social forestry programme in Kalav Paudh in Herwal gaon , under this 1160 saplings were planted such as Banjh, Shehtoot, Bhimal, Kachnar, Reetha etc. A similar social forestry programme was conducted here in 2014 which was very successful, but in 2016 stray animals spoilt them. This time SEWA THDC along with SBSCE University of Dehi, have worked out proper fencing and gate to avoid such incidents to occur.

S.No.		
1	Date of Activity	27 <sup>th</sup> September to 05 <sup>th</sup> October 2017
2	Name of village	Herwalgaon
3	No. of Plants	1160
4	Name of plants	Banj. Mulbary, Bhimal, Kachnar, Ritha

## Vermin Compost

On 2<sup>nd</sup> may 2018 SEWA-THDC and SBSEC conducted training to promote organic manure nearly 12 villagers were trained. This was conducted in collaboration of DRC and villagers. The villager would spend 35% themselves where as 65% would be provided by DRC to make the pits. DRC provided earthworms for these to the villagers nearly 3kg earthworms put in each pit.

### Detail of farmers for Vermin Compost Programme

# Shri Sem Nagraja Mela

## COMMUNITY SERVICE

SEWA –THDC and SBSCE University of Delhi played a significant role in the organization of Popular Nagraj Mela in Sem Mukhem. Several Dustbins were installed all the way to the temple. Rain Basera were put up, so that the visitors could keep themselves protected from cold weather. These night shelters were there from 24<sup>th</sup> November till 26<sup>th</sup> November for the visitors. Nearly 204 pilgrims including old people, children, women used this facility. Refreshments were also provided from SEWA-THDC. Even three water tanks(500 ml) were provided to the temple committee. Along with this First aid was made available for pilgrims by the centre.

## **Napier Grass Budget head Part I, - VI (i)**

DRC, Deengaon preferred to promote of nappier grass in 3 villages namely Sera, Khmba khal and Mukhem so that good quality fodder can be produced during rainy season. This was done to make the villages aware of the good quality fodder and its benefits.

This grass enables animals to produce more milk as it has great amount of protein. This grass can be grown on the fennels of farms. This grass also helps in binding the soil and prevents soil erosion. This also reduces the danger of landslides in these farms.

<i>Sl.no</i>	<i>Date of Activity</i>	<i>Village</i>	<i>Remark</i>
