**Introduction:** The Swachh Bharat campaign was officially launched on 2 October 2014 at Rajghat, New Delhi, where Hon'ble Prime Minister Narendra Modi himself addressed to the people of India for cleanliness. This campaign aims to accomplish the vision of a 'Clean India' by 2 October 2019, the 150th birthday of Mahatma Gandhi. Specific objectives are.

1. Eliminate open defecation by constructing toilets for households, communities.
2. Eradicate manual scavenging.
3. Introduce modern and scientific municipal solid waste management practices
4. Enable private sector participation in the sanitation sector.
5. Change people's attitudes to sanitation and create awareness.

**Project at a Glance:-** THDCIL is implementing CSR activities in its project affected area through SEWA-THDC. Under this program different CSR activities i.e Education, Health & sanitation, Rural Development, Environment and Livelihood generation are being implemented in the area. THDCIL is also participating in National Cleanliness campaign "Swachh Bharat Abhiyan" and built up more than 1250 toilet blocks in different Govt Schools and Individual houses of underprivileged people. Under this mission, MLA Tehri, Sh. Dhan Singh Negi have requested/demanded to provide hydraulic tipper to Chamba Nagar Plaika Parishad Tehri for garbage cleaning under Swachhta Pakhwara. The same is being pursuing by them from our management and SEWA-THDC official continuously.

**Implementing Agency:-** SEWA-THDC is also implementing various activities under Swachhta Pakhwara in an around its head office at Rishikesh & Tehri at Project affected areas in Uttarakhand In the 21th BBLC, the matter was discussed and it was agreed that TATA 407 Tipper or equivalent vehicle can be provided to the concerned Nagar Palika Parishad Chamba to contribute the National Mission of Swachh Bharat Abhiyan. According to decision SEWA-THDC provided 01 No Hydraulic Tipper, Mahindra & Mahindras Model LK3.3L,6T SWB, BS-4 fully built Tipper DSD to Nagarpalika Parishad Chamba.

**Benefit from the project:-** The hydraulic Tipper have been provided to Nagar Palika prashiyad Chamba Tehri Garhwal under the CSR Project and activities of Swachhta Pakhwara. A positive outcome has been seen. As before the polythene bags and the other trashes (Organic & Inorganic garbage) were scattered all around the local areas which not only pollutes the environment but also spoils the natural view & climate of the area, now all the garbage are being collected in dust bins and Tipper collecting garbage from place to place and disposed in dumping sites. This mission has helped local people to get aware about cleanliness of their surroundings and motivated them to keep their area clean. The above programs under the “Swachhta Pakhwara.
