Project at a glance :- Education is the fundamental right of every citizen granted by the Government of India under Article 21 A of the constitution. Today Education is very much essential for survival in the society. Govt. has also declared Education, a right of human beings. Education spreads awareness in society about how we can be a good social being and help others in our daily life for overall development of the nation. Only books are not enough for getting a quality of education, it also need some other basic infrastructure for class rooms, drinking water, sanitation, sports, power etc. For quality education we should have other basic facilities like science lab, enough ventilated space for sitting, furniture, etc. Education plays a very important role in shaping the future of a country

THDCIL is developing various facilities of education, health, infrastructure environment in its project affected area under CSR activities through SEWA-THDC. The Proposal was receive from Distt. Project Officer Secretary of Primary Education to ED THDCILRishikesh. for repairing & Renovation work of Rajkiya Purv Madhyamik Vidhyalaya Ajabpurkalan Dehradun. Proposal approved in 2nd Circular Agenda through BBLC. Present time over all 50 students studying in School 35 boys and 15 girls.

Implementation Agency:-

Uttar Pradesh Rajkiya Nirman Nigam Unit 2 Srinagar Garhwal.

Facilities provided:-

THDCIL has provided financial support & necessary infrastructure to run the schools. UPRNN has Constructed, repaired the School Building, Office Room, Students and staff toilet Blocks, Water Tank, Kitchen, Boundary wall with fencing work main gate, Back Gate Paver Construction in Court yard of School, Roof Treatment and Finishing works Sign Boards, Water & Sanitation Work, Electrification work etc. Time to time the work was monitoring by THDCIL officers and on request of the Principal, the Officers of THDCIL instructed to UPRNN for executing the following work

1. Construction of Main Gate.
2. Construction of protection wall including fencing.
3. Construction of flag post.
4. Vitrified tiles in the Computer Room.
5. New doors and window with wire mesh in place of old doors and window.
- 6 For the convenience of Children, bio-toilet was established which was made available in SEWA-THDC office after the Construction of new toilets.
7. Construction of water Tank for drinking water.
8. Construction of Black board in each class room etc.

Benefits from the project :-

After Completion of Construction, and repaired work of Building Work at Ajabpur Kalan Dehradun Students & all Staff of School were very happy & Thank to SEWA-THDC for its vulnerable work. The renovation work has been Complete & Sechool building are ready to use and handed over to school management. Students found basic comfort to study in the class room and it has definitely added motivation level of Teachers/Staff and students. The quality of a school's environment and its facilities has much influenced to students for learning.
