13	Document proof like photo/video/news, if any	Details are given below	

Project at a glance :-

Education is the fundamental right of every citizen granted by the Government of India under Article 21 A of the constitution. Today Education is very much essential for survival in the society. Govt. has also declared Education, a right of human beings. Education spreads awareness in society about how we can be a good social being and help others in our daily life for overall development of the nation. Only books are not enough for getting a quality of education, it also need some other basic infrastructure for class rooms, drinking water, sanitation, sports, power etc. For quality education we should have other basic facilities like science lab, enough ventilated space for sitting, furniture, etc. Education plays a very important role in shaping the future of a country

THDCIL is developing various facilities of education, health, infrastructure environment in its project affected area under CSR activities through SEWA-THDC. Principal, Govt. Middle School Sonargaon Bhaniawala requested to SEWA-THDC for repairing of the school and constructing RCC slab in the school building in place of CGI sheet roof. The letter was forwarded and recommended by Independent Directors of THDCIL. A Committee of S&E and Design Deptt. visited the site and inspected the school and found that building was quite old and constructed in the year 1993. The committee recommended the following work for renovation of the school.

- 1- Construction of roof by pre coated GI sheet with false ceiling.
- 2- Repair of the wall and floor.
- 3- Construction of Toilets
- 4- Apex paint on building and painting the doors & window.

Proposal approved in 26th BBLC Meeting. Present time over all 30 students studying in School 12 boys and 18 girls.

Implementation Agency:-

Uttar Pradesh Rajkiya Nirman Nigam, Haridwar Uttarakhand

Facilities provided:-

THDCIL has provided financial support & necessary infrastructure to run the schools. UPRNN has constructed, repaired the School Building etc. Time to time the work was monitoring by THDCIL officers and on request of the Principal, the Officers of THDCIL instructed to UPRNN for executing the following work

- 1- Construction of roof by pre coated GI sheet with false ceiling.
- 2- Repair of the wall and floor.
- 3- Construction of Toilets

- 4- Apex paint on building and painting the doors & window.
- 5- Closing of the verandha with brick wall and iron grill including Iron Gate.
- 6- PCC apron around the building.
- 7- Tiling work in toilets floor
- 8- Electrical wiring and S/F fixture.

Benefits from the project:-

After Completion of Construction, and repaired work of Building Work at Govt. Middle School Sonargaon Bhaniawala Students & all Staff of School were very happy & Thank to SEWA-THDC for its vulnerable work. The renovation work has been Complete and school Building ready to use and handed over to school management. Students found basic comfort to study in the class room and it has definitely added motivation level of Teachers/Staff and students. The quality of a school's environment and its facilities has much influenced to students for learning.
