PROJECT AT AGLANCE:-

05 Eye camps were organized under CSR Scheme for the residents of Tehri Dam affected area with generous contribution of THDC India Ltd. .The camp started at 10:00 am sharp and volunteers & staff from SEWA-THDC were also present at the camp site to manage camp activities. It is further stressed that Eye- screening camps for weaker sections of society are important for balance in society and here the role of Non Government Organizations like Nirmal Mission for Vision Society becomes important because Government Authorities cannot reach such far flung geographies due to their limited resources.

IMPLEMENT AGENCY:-

Nirmal Ashram Eye Institute, a unit of Nirmal Mission for Vision Society, Rishikesh, is a 130 bedded state of the art eye hospital. The hospital is located in Rishikesh, around 50 km. from the state capital, Dehradun. This hospital has performed more than 1,23,000 Eye Surgeries since its inception in 2005. The hospital provides Eye Care services in the hilly districts of Garhwal region of Uttarakhand state, which include districts of Tehri Garhwal, Pauri Garhwal, Uttarkashi, Rudraprayag, Haridwar and Dehradun. The hospital also provides eye care services in certain districts of neighboring states of Uttar Pradesh, Haryana and Himachal Pradesh. Recently Nirmal Ashram Eye Institute get,s NABH certification from National Accreditation Board of Hospital in the Field of Services & Facilities.

OPERATION METHODOLOGY:-

A medical team consisting of Doctor was present at camp site. Specialists in ophthalmologist were present at the camp. Optometry facilities, managed by an accomplished support team, were also provided to patients.

Various remotest areas were selected based on Tehri Dam affected blocks/Villages to provide medical support through Eye Camp intervention. Wide publicity for the camp was organized one week prior to the camp date through

large sized banners, pamphlets and meetings with Gram Pradhans to serve community members at their door step. Intimation letter (as per NPCB&VI guidelines) for conducting camp was given to CMO Tehri Garhwal.

DETAILS OF BENEFICIARIES:-

A total of 918 people were served through the eye screening camps at various remotest village of Dam affected area in distt- Tehri Garhwal Uttarakhand, . 171 patients were identified with cataract. 417 patients were distributed free medicines. Selected patient for surgery brought to the Nirmal Ashram Eye Institute on same day and after completion of surgery dropped at camp site through hospital vehicle. Overall residents were satisfied and happy with facilities provided and the service of Doctors at the camp. They requested conduct of more such camps in the area for the residents of Dam affected area and surrounding areas.
