Project at a Glance:-

Community Centers are public location with sufficient space and all basic facilities where members of a community tend to gather for group activities, social support, public information and other purposes. Generally the community centre uses by the community for followings use:

- 1. As the place for all community celebrations at various occasions and traditions.*
- 2. As a place where community members meet each other socially.*
- 3. As a place where public meetings on various issues.*

As per need of community center at village Khadhikhal, a project proposal was received from BDO, Chamba (T.G.)

The work has been carried out through BDO, Chamba (T.G.)

Benefit from the Project:-

Community Centre has been constructed through BDO Chamba (T.G.). After construction of community centre it is being used for public meeting, various occasions and other community celebration which can't be undertaken from their homes because of space constraint. Community is now feeling Happy.
