Project at a Glance:-

Water is a fundamental part of our lives. SEWA-THDC is imparting its role in CSR by providing drinking water to the community through construction of infrastructure and laying of pipe line in Tehri Dam Project affected areas and villages of district Tehri. In this regard a proposal is received from village Dobra (T.G.) for providing water supply in Kunjeshwar Mahadev Temple.

The work was carried out through Sh. Surendra Datt. Chamoli, Contractor, village Dobra, Sarjula, Distt., Tehri Garhwal.

Benefit of the Project:-

The work has been completed satisfactory. After completion of work community of the village Dobra and pilgrims are taking benefit from this scheme. Community and pilgrims are happy now.
