### ***Project at a Glance:-***

Micro planning is essential before implement. The CSR activities in the area so that we can assess the initial and final position of the community.

In 14<sup>th</sup> management meeting it was decided that micro planning in the Project Affected Area of VPHEP is required to start CSR activities.

19 Nos. villages near VPHEP i.e. **Haat, Jaisaal, Batula, Naurakh, Tundli Chak, Guniyala, Math-Jadetha, Baula (Durgapur), Gadi, Gulabkoti, Langsi, Tapovan, Dwing, Nauligwad, Palla, Helong, Painsi, Thaing, Saina** are earmarked for micro planning through PRA. The said work is assigned to Dr. K.K Sharma, associate Prof., Deptt. of Geography, Kirorimal College, Delhi University.

### ***Benefit of the Project:-***

As per CSR policy Micro Planning of a village/area is necessary for need assessment and work out of CSR activities in the area.

VPHEP Project is under construction by THDCIL and it was observed that some social activities to be under taken for community development. After completion of base line survey CSR projects will be taken in future.
