Project at a Glance:-

On construction of Tehri Dam a huge area has been submerged and subsequential large scale displacement. R&R 14,530 families (5291 Urban families, 5429 fully affected rural families and 3810 partially affected families) has been carried out with a human face.

The villagers/PAPs are facing problems of Pathways and Old Samshan Ghats due to their submergence by Tehri Dam reservoir. A request was received from MLA, Pratapnagar to construct the pathway and Samshan Ghat near Madan Negi Village. Construction work was carried out through BDO Pratapnagar.

Benefits from the Project:-

After construction of pathway and Samshan Ghat people of nearby area of Madan Negi getting facilities. Now the people feel emotional comfort and are happy as they will be able to do last rites of their dear ones properly.
