### **Project at a Glance:-**

THDCIL is developing various facilities of education, health, infrastructure, environment in its project affected area under CSR activities through SEWA-THDC. Under this Program, a request letter has been received from Swami Narayan Mission (Society) for the CSR Support towards Procurement of fully automatic Pathology lab equipment i.e. Access 2 Immunoassay System, for Charitable Hospital in Rishikesh. The Charitable Society is working in various fields and providing assessable medical services, education and cultural services for the welfare of poor & deprived people.

The Proposal was put up in 44<sup>th</sup> BBLC meeting of CSR. The committee has approved the same and it was decided that the above Pathology lab equipment items will be purchased through Gem.

**Implement Agency:-** SEWA-THDC Rishikesh

### **Benefit from the Project:**

The healthcare equipments will provide affordable and accessible healthcare to the people residing in the Rishikesh and nearby mountain areas. The lack of advanced healthcare equipments in the mountains had forced the people to spent extra time and money to access the services in far plains. The machine provided to the charitable hospital will help people from all groups to avail financially accessible advanced healthcare service in Rishikesh and hence saving all kind of human and financial resources. People associated with the Charitable Homeopathic Hospital Rishikesh thanked SEWA-THDC for the kind support in developing advanced healthcare infrastructure in the mountains.
