Evaluation and Impact Assessment Report of CSR Projects

THDC India Ltd. is implementing various CSR projects in uttarakhand through the SEWA-THDC, a company sponsored NGO of THDCIL. The evaluation and impact assessment work of CSR Projects are also carried out through SEWA-THDC. Undersigned was also awarded evaluation and impact assessment work of 03 CSR Projects vide letter No SEWA-THDC/ RKSH/14-15/016, dated April 18, 2014.

For evaluation and impact assessment of above projects site visit was conducted on 23rd, 24th, 25th April 2014 and 20th May 2014. The report is based on my personal site visit observation with Sri S.D. Uniyal, Manager (social), CSR unit, Tehri. For this purpose direct feedbacks were taken from the beneficiaries. Detail is as under:

1. Construction of Academic Block for 3rd year in THDC-IHET (Engineering College), Bhagirathipuram, Tehri.

THDCIL has established the first Hydropower development institute and engineering college in India and Asia. Its first batch of 240 students joined the class for the academic session 2011-12. Now this batch is studying in 3rd year. Recently its 3rd year academic block has been completed in the F.Y. 2013-14. This block has all the basic facilities like class rooms, laboratories, seminar halls etc. Total area of this block is about 2500 sq. meters. Its budget allocation is about approx. ₹ 555 Lac. In 3rd year four engineering branches i.e. Civil, Electrical, Mechanical and Electronics are running. Uttarakhand technical board reserved 05% seat for the children of project affected persons in this institute. This college is affiliated to Uttarakhand Technical University. Total no. of faculty are 31. All faculties are on contractual basis.

Summary of students in B.Tech 3rd year

Total Strength		Students from Dubchhetra		Students Category					THDC employees ward		
Boys	Girls	Boys	Girls	SC	S.T	O.B.C	Gen	Total	Boys	Girls	
176	65										10
				Girls	11	02	07	45	65		
Total	= 241	Total	= 12		35	08	26	172	241	Total	= 08

This table shows that this institute is beneficial for Dubchhetra and THDC employees also. This institute is situated near Dibnu and Bagi gram sabhas. Due to such infrastructure it is also beneficial for its surrounding areas. It also generated some employment for local people.

2. Modernisation of 05 Nos water flour mills (Gharats) in Bhilangana Block, Tehri distt.

Gharats or Water flour mills run on a stream's kinetic energy to turn the shaft of the grinding mill. It is ecological effective traditional way to get grain grounded and best possible way to utilize the available resources. Hence its survival is not only important in light of their eco suitability but to acknowledge the powerful indian traditional knowledge as well.

SEWA-THDC has upgraded 05 no. of gharats in Bhilangana block of tehri distt through UREDA. These gharats are upgraded according to specific budget allocations, terms and conditions. A baseline survey has been conducted to select the beneficiaries. Upgradation of such traditional watermills can be great source of employment generation. In future these gharats can be used to provide electricity to 15-20 families within the diameter of 500 meters.

Upgraded gharats and its detail is as below:

(i) Gharats at Gram Pilkhi:

Gharat at gram Pilkhi

Beneficiary- Sri Roshan Lal

Category – S.C

Status- Functional

Beneficiary Sri Roshan Lal said that his old gharat was not functional. His new upgraded gharat is recently established. Due to lack of knowledge very few people came to his gharat. But now he is optimistic about his future.

(ii) Gharats at Gram Thapla:

Gharat at gram Thapla

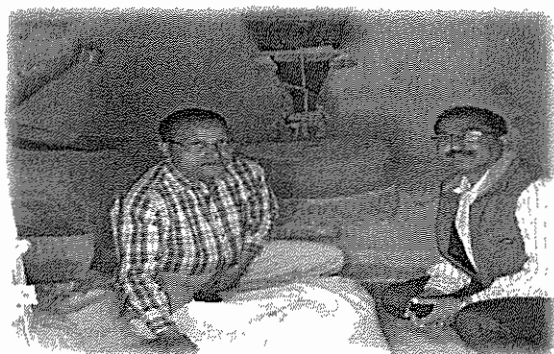

Beneficiary- Sri Mohanlal Kothiyal

Category – General

Status- Functional

This gharat is at a little distance away from the village. In spite of this at the time of our visit this gharat was running. No one was there. Door of gharat room was just bolted, not locked. Sri Mohanlal Kothiyal was not aware about whose grains are being grinded. He said that his 5 member family is dependent on this gharat. People leave his share of ground cereals themselves. Apart from this share he does not charge any money for grinding grain. He is very satisfied with the upgraded gharat and grateful to the THDC-SEWA for support. He said that grinding capacity of this upgraded gharat has increased three times than the old traditional gharat.

(iii) Gharats at Gram Ghuttu:

Gharat at gram Ranidang near Ghuttu

Beneficiary- Sri Mahaveer Singh

Category – General

Status- Functional

At The time of our visit the owner Sri Mahaveer Singh was not present. He had gone to attend a marriage. He was not there but his gharat was running at its full capacity. This gharat is situated near the Ghuttu market. Due to its prime location it is running 24 hours. Here we also observed the system of barter exchange. People leave some ground grain for the owner as his share.

(iv) Gharats at Gram Sankari:

Gharat at gram Sankari

Beneficiary- Sri Bachchan Singh

Category – General

Status- Functional

Sri Bachchan Singh is an old poor man. He is very happy with his new upgraded gharat. This gharat lacks proper approach. Due to this few people come here .In spite of this Sri Bachchan Singh is optimistic about it. He is trying to make approach easy. He is also very grateful to THDC-SEWA for its support.

(v) Gharats at Gram Bajinga:

Gharat at gram Bajinga

Beneficiary- Sri Ratan Das

Category – S.C

Status- Recently functional

This gharat is 1 Km away from village Bajinga. At the time of visit this gharat was just functional. People were not aware about it.

(3) Computer education programme through computer donation by Rotary foundation through SEWA-THDC.

SEWA-THDC has started free 6 month basic computer course for children of weaker sections, girls and housewives of remote areas. For this purpose computer was donated by the Rotary foundation. Centre wise observation is as under:

(vi) Computer Centre, Koteshwar:

Computer Centre, Koteshwar

Target	:	40
Enrolled Boys	:	14
Enrolled Girls	:	26
Total	:	40
No of Computers	:	05
Course Period	:	March 2014 to August 2014

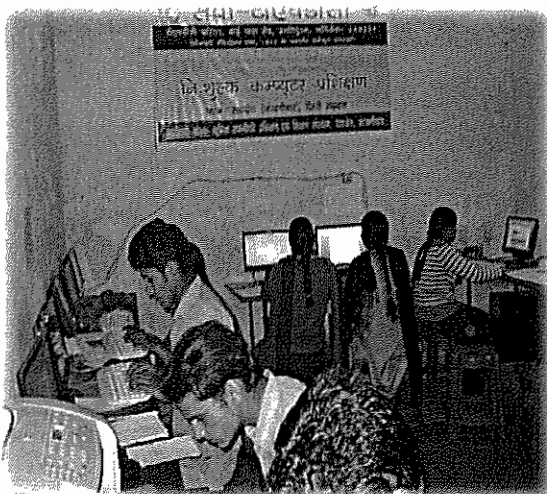

Instructor : Sri Praveen Kumar

Feeder Villages of this computer centre are Saunthiyal Gaon, Aali, Melwa, Salan Gaon and Dandeli. This centre is running very well. Instructor Sri Praveen Kumar said that he also manages two separate batches of 10 each from the staff of THDC. He also has some waiting list. Feedback from participants was very encouraging. He needs some more computers.

(vii) Computer Centre, Baurari, New Tehri:**Computer Centre, Koteswar**

Target	:	40
Enrolled Boys	:	04
Enrolled Girls	:	39
Total	:	43
No of Computers	:	06
Course Period	:	Jan 2014 to June 2014
Co-ordinator	:	Smt. Avantika Bhandari
Instructor	:	Ms. Sushma Kothiyal

This is an urban centre. Here free internet facility is also available for SEWA-THDC students. Due to this the waiting list is very long. Feedback from students is satisfactory.

(viii) Computer Centre, Rajakhet, Pratapnagar:**Computer Centre, Rajakhet**

Target	:	50
Enrolled boys	:	13
Enrolled girls	:	42
Total	:	55
No. of computers	:	05
Course period	:	March 2014 to August 2014
Coordinator	:	Sri Mahendra Singh Kharola
Instructor	:	Sri Vishal Panuli

This computer center caters to Patudi, Kathuli, Nelda, kaflog, Tuniyar, kotchauri, khand, chholgaon and other villages. Co-ordinator Sri Mahendara Singh Kharola said that some of the feeder villages like chholgaon are more than 10 km away from this centre. He also provides english teaching and internet access to his students free of cost. These facilities at such a remote place is quite remarkable.

(ix) Computer Centre at Padagali:

Computer Centre, Padagali

Target	:	40
Enrolled Boys	:	26
Enrolled Girls	:	14
Total	:	40
No of Computers	:	05
Course Period	:	Jan 2014 to June 2014
Co-coordinator	:	Smt. Bammeshwari Raturi
Instructor	:	Sri. David Negi

At the time of visit the co-coordinator was not present .Reasonable feedback was difficult to get from the students.

(x) Computer Centre, Ghansali:

Computer Centre, Ghansali

Target	:	50
Enrolled Boys	:	21
Enrolled Girls	:	29
Total	:	50
No of Computers	:	05
Course period	:	Jan 2014 to June 2014
Co-ordinator	:	Sri Deepak Kandari
Instructor	:	Sri. Shailendra Rawat
Assitt. Instructor	:	Sri Purushottam Singh

This is an urban centre. Here free internet facility is also available for the SEWA-THDC students. Due to this the waiting list is very long. Feedback from students is satisfactory.

Selection criteria for admission is as under:

- (a) financially weak
- (b) S.C/S.T candidates
- (c) Girls
- (d) General

(vi) Computer Centre T.H.D.C High school Pragatipuram Rishikesh.

Computer Centre, Pragatipuram, Rishikesh

Instructor	- Miss. Beena Rawat
Beneficiary	- class 7 th to 10 th students (Approx. 170 Nos.)
No of computer	- 10

This centre is beneficial for all students of school. Specially class 9 and 10 students are focused group. SEWA-THDC has also donated a LCD projector for this centre. This centre is running very well.

Apart from these some more computer centers has been established by THDC-SEWA and Rotary foundation. Details of these centers are as follows:

1. Computer Center at Inter college, devtadhar, pratapnagar (T.G)
No of computers – 05

2. Govt. Inter college, Tipri (T.G)
No.of computers-01
3. Govt. High School, Pathari, Haridwar
No of computers -02
4. Social and environmental development centre, Jauligrant Dehradun
No. of computers -03 (Courses to start)
5. SEWA-THDC office centre
No. of Computers -02

These all centres are running well. These are definitely beneficial for the society

Remark: Projects has been executed to my satisfaction.

End of the report
